

June Johnson

Introduction to International Law (CASP)

June is a law graduate who has practiced but currently just teaches law. She has a Master's Degree from King's College London and an LLB and is highly confident in most areas of law.

June worked very hard whilst studying for both her degrees to excel and believes that she can pass this on to current students so that they can achieve their desired results academically.

When not teaching, June enjoys spending quality time with her beautiful one year old daughter. They both love the outdoors so they spend quite a lot of time outdoors playing. She enjoys running, cycling and dancing also and so far has been able to involve her daughter in these activities also which they both enjoy doing together.
